

Dear Fellow Oil Center Business,

Thank you for being a part of this unique area of the city. Just steps away from UL, minutes from downtown and part of the historic Azalea Trail, the Oil Center is a treasured district in which to do business, shop and live.

In 2023, the Oil Center Association was rebooted after a few years on hiatus, and we have established a group of individuals who are passionate about the Oil Center and wish to see it prosper. We have an uphill climb to achieve the goals we set forth this year, but we are determined to bring a renewed focus to our area of the city and remind Acadiana how special it is.

Our goals in 2024 center around three main keywords: THRIVE, COMMUNITY and MAINTAIN. We have a lot of ideas, but we rely on donations and member dues to make those ideas a reality.

We humbly request that you consider becoming an OCA Member in 2024. For an annual business membership of \$300, you can be a factor in promoting a thriving, well-maintained business community. As a non-profit 501(c)(4) organization, your donation is tax deductible. Your business will also be featured on our website and the OCA Facebook page.

Thank you for taking the time to consider being a part of our efforts. We look forward to a new year of possibilities to make the Oil Center the best it can be.

With gratitude,

**Mission Statement: An association designed to unite the business and professional community in what is recognized as Lafayette's Oil Center. It is our vision to preserve, enhance, and assure the continued viability while encouraging growth, avoiding urban decay, and promoting a positive image.**
